**ABOUT JENNIFER** .... Jennifer is a full-time seasoned professional dance instructor of 15 years and is a National Competitor in many dances. Currently Jennifer competes in the Champion levels in the Swing circuit and has a list of wins as long as Santa's list. For those that know Jennifer personally or professionally, they say that teaching is a gift and Jennifer has the gift (to gab...no I mean) to teach with such quality in her instruction. Her nickname is Dr. Dance as she is quick to diagnose where attention is needed in your dancing. If you have ever seen Jennifer dance socially, dance competitively, or teach any form of dance, her passion for dancing pours out of every inch of her body. She is enjoyed by all, and cares more for her students than can be imagined. The progress in her students is such a high for Jennifer; it's a feeling she cannot describe. Jennifer helps each student find his or her internal "tick" or what makes him or her become alive. Jennifer's internal tick clearly comes from teaching and dancing and she surely did not miss her calling! For more information about Jennifer, visit her website at [www.twirlthegirl.com](http://www.twirlthegirl.com).

**PRIVATE LESSONS** ... Jennifer is available for private lessons by appointment. Don't delay...book today! Bring a friend or partner - the cost is the same! Contact Larry Saunders at [larrys@mindspring.com](mailto:larrys@mindspring.com) to book a private lesson!

### Debbie Gardner

*"I know that she has been an inspiration in our community. I know that she has taught so many C'ville dancers, offered free lessons before CSDS dances, and is well loved and respected in our community." --Ginny "Buffet"*  
*Debbie and her husband will be leaving Charlottesville soon and we all wish them the best in thier new endeavors!*
